NEWS OF THE DAY.

THE WAR.

A dispatch from Memphis of the 9th says: "Gen. Smith's expedition is well out. Its destination is unknown. Maj. Gen. Slocum has been relieved at Vicksburg, and ordered to report to tien. Sherman. The district of Vicksburg has been assigned to tien. Washburn, who now controls the river from Cairo. The report from the Gulf Department is that all is quiet discinsuppi. Gen. blok Taylor is at Meridian, and bommands in place of Gen. S. D. Lee, who is now at

That paragon of mendacity, the traitorous Chicago Times, still tells the public that Grant and his staff have gone to Washington, and the campaign against Richmond is over. The writer of such stuff, published nearly a week after the General's return to the army, must have a high opinion of the intelligence of his readers. He would blusb, perhaps, if his coppery

"PRACE" OVERTURES.

The Times of yesterday contained, we rejoice to say, the following "extract from a private

"WASHINGTON, Tuesday, Aug. 9, 1864. "It is not to be wondered at that the Oppositi journals pounce upon Mr. Lincoln's note, "To All Whom it May Concern," as affording them a chauce to pettifor an issue of such vital importance as that affect ng the status of Slavery in connection with Pence. It not understood here, however, that it was the design of the President to obtrude any ultimosum in that men randem, which, at most, glanced at all the questions hinted at) to all classes of the Northern mind, and c which the matter of Slavery is but one leading item No person of sense, in official confidence in Washington, so comprehends that memorandum as to magnify it into the sic vole, sic jubse, of the Executive, in reference to matters which belong exclusively to the people themseives. It is not the frame of Mr. Lincoln's mind so t asurp what belongs to the masses, and I am surprised at the construction which you say some of our friends

-We do not concur in the assertion above. that the rescript "To Whom it May Concern" glanced at all the questions likely to be submitted," &c. On the contrary, very grave questions that must be not only submitted but decisively acted on in such " negotiation," were in no manner indicated in that brief manifesto. But we are very glad to hear first the President did not mean to "obtrude any ultimatum" into that "memorandum;" because no "ultimathere and on the White River. The Rebels in the tum" on his part was yet in order; and such trans-Mississippi Department are trying to cross the should never be "obtruded" a moment too soon. And if, as the "private letter" indicates, the vital conditions of Peace " belong exclusively to the People themselves," they need only to be so treated to insure an early and earnest consideration of the main question.

affirm, that an immediate settlement of our National troubles is perfectly feasible; but we ionsly, absorbingly desire Peace, and are ready to make all acournt saorfaces to insure it. Then charged by the Governor of New-York with the why shall it be long withheld! Let us know, delivery of the necessary forms and bianks required to so soon as may be, the most that the Rebel cure the votes of soldiers of that State in the field, Chiefs will do to secure Peace; let us next ascertain what is the "ultimatum" on our side; There were about 30 persons killed and from to propositions from the Kebels, virtually which we fully sympathize with him.
